5 April 2024

Dear Mr. President,

I am writing to you, in confidence, with the information that your Board Member Enrico Rispoli formally qualifies to become a FIG Honorary Member. An honorary membership is applied for by the national home association, hence my confidential approach to you, because in principle it is not a matter for FIG to nominate any candidate.

Over the years Enrico Rispoli has done a substantial work for FIG and has been a faithful and talented representative from CNGeGL to FIG. For this reason FIG is always grateful to CNGeGL for its continued support.

In FIG Internal Rules it is stated that in case a person has fulfilled two honorary positions the person could be eligible for an honorary membership of FIG.

Enrico has:

- Been Conference Director for the FIG Working Week 2012 – a highly successful FIG event
- Served as Commission Chair of FIG Commission 3 for the term 2015 – 2018 with substantial activities and results

After these two formal position he has continued his engagement in FIG, especially in Commission 3. Apart from this, he has been a central part of the involvement of Young Surveyors within FIG and has showed a strong support over the years to the young generation of surveyors. For them he is a role model. All this work led FIG Council to propose and nominate Enrico to serves as one of the Board of Directors of the FIG Foundation, a position he has had since 2019.

It might therefore be appropriate to appoint Enrico Honorary Member of FIG. This is a final decision of FIG General Assembly after a decision by FIG Council to bring it to the General Assembly. A nomination must come from the national association, hence my – somewhat direct - approach to you.

I do hope that you will consider to nominate Enrico Rispoli. If so, I would need a letter of nomination from the association. This will be brought to FIG Council for their decision to bring it on to the General Assembly. The next meeting in Council is on 24 April 2024. If I could get a letter from you before then, we can include the nomination in this year's General Assembly on 19 May 2024 in Accra, Ghana.

I am at your disposal in case you have further questions,

Kind regards

A handwritten signature in blue ink, appearing to read 'Louise Friis-Hansen', written in a cursive style.
